- 31.1 Upon deciding that the Works are complete, the Contractor shall issue a written request to the Project Manager to issue a Certificate of Completion of the Works. The County Government of Nyandarua shall take over the Site and the Works within seven [7] days of the Project Manager's issuing a Certificate of Completion.

32 Final Account

- 32.1 The Contractor shall issue the Project Manager with a detailed account of the total amount that the Contractor considers payable to him by the County Government of Nyandarua under the Contract before the end of the Defects Liability Period. The Project Manager shall issue a Defects Liability Certificate and certify any final payment that is due to the Contractor within 30 days of receiving the Contractor's account if it is correct and complete. If it is not, the Project Manager shall issue within 30 days a schedule that states the scope of the corrections or additions that are necessary. If the final account is still unsatisfactory after it has been resubmitted, the Project Manager shall decide on the amount payable to the Contractor and issue a Payment Certificate. The County Government of Nyandarua shall pay the Contractor the amount due in the Final Certificate within 60 days.

- e) the Project Manager gives notice that failure to correct a particular defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Project Manager;
- f) The Contractor does not maintain a security, which is required.

33.2 When either party to the Contract gives notice of a breach of Contract to the Project Manager for a cause other than those listed under Clause 33.1 above, the Project Manager shall decide whether the breach is fundamental or not.

33.3 Notwithstanding the above, the County Government of Nyandarua may terminate the Contract for convenience.

Additional liquidated damages shall not apply. If the total amount due to the County Government of Nyandarua exceeds any payment due to the Contractor, the difference shall be a debt payable by the Contractor.

amount of expenses properly incurred by the County Government of Nyandarua and, if such amount added to the money paid to the Contractor before such determination exceeds the total amount which would have been payable on due completion in accordance with this Contract the difference shall be a debt payable to the County Government of Nyandarua by the Contractor; and if the said amount added to the said money be less than the said total amount, the difference shall be a debt payable by the County Government of Nyandarua to the Contractor.

35 Release from Performance

35.1 If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of either the County Government of Nyandarua or the Contractor, the Project Manager shall certify that the Contract has been frustrated.
